Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
 Companies Act, 2013, we are also responsible for expressing our opinion on whether the
 company has adequate internal financial controls system in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss including statement of other comprehensive income, the cash flow statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014; Companies (Indian Accounting Standards) Rules, 2015, as amended;

- (e) We do not have any observation or comment on the financial statements or matters which have any adverse effect on the functioning of the company.
- (f) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Companies Act, 2013.
- (g) We do not have any qualification, reservation, or adverse remark relating to maintenance of accounts and other matters connected herewith.
- (h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - 1) The Company does not have any pending litigations against it, which would have an impact on its financial position.
 - 2) The Company did not have any long-term contracts, including derivatives contracts for which there were any material foreseeable losses.
 - 3) The Company is not required to transfer any amount to the Investor Education and Protection Fund.
 - 4) a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above contain any material misstatement.
- 5) The company has not declared or paid any dividend during the year.
- Proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1st April, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

"Annexure B" to the Independent Auditor's Report.

Referred to in clause (h) under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date on the financial statements of the Company for the year ended March 31, 2023:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S – VARENYAM HEALTHCARE PVT LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

<u>Auditors' Responsibility</u>

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and

Chartered Accountants

plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Standalone Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Chartered Accountants

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

H. Provisions and Contingencies:

i. Provisions:

Provisions for legal claims, product warranties and make good obligations are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Long-term provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. Short term provisions are carried at their redemption value and are not offset against receivables from reimbursements.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

ii. Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

iii. Contingent Assets:

There is no Contingent Assets

I. Earnings per Share:

i. Basic earnings per share:

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares.
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii. Diluted earnings per share:

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

B. GENERAL REMARKS FORMING PART OF OUR AUDIT REPORT FOR THE PERIOD FROM 01-04-22 TO 31-03-23 U/S. 44AB OF THE INCOME TAX ACT 1961.

ASSESSEE'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS: -

The assessee is responsible for the preparation of the aforesaid financial statements that give a true and fair view of the balance sheet and profit and loss in accordance with the applicable accounting standards issued by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

OUR RESPONSIBILITY: -

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit assessing the accounting principles used and significant estimates made by management as well—as evaluating the overall financial statement presentation. We believe that our audit provides reasonable basis for our opinion.

OTHERS: -

- 1 We have applied test check wherever, we found necessary.
- 2 We have not physically verified cash in hand as on 31st March 2023.
- 3 Balances of sundry creditors, sundry debtors, loans & advances and investments & deposits are subject to confirmation, reconciliation and adjustments if any.
- Wherever supporting documents, bills, stamp receipts, payments to suppliers, vouchers, cash memo, or details are not available on the records, we have relied upon the office vouchers duly signed and information and explanation given by the assessee.
- 5 The transactions / entries are verified on line in the computer system & hence verification mark may not be available on some records.

C. OBSERVATIONS TO PARTICULARS GIVEN IN FORM NO. 3CD FORMING PART OF OUR AUDIT REPORT FOR THE PERIOD FROM 01-04-22 TO 31-03-23 U/S. 44AB OF THE INCOME TAX ACT 1961 ANNEXURE TO PARA 3 OF FORM 3CA (ANNEXURE-I)

ASSESSEE'S RESPONSIBILITY FOR THE STATEMENT OF PARTICULARS IN FORM 3CD: -

The assessee is responsible for the preparation of the statement of particulars required to be furnished under section 44AB of the Income-tax Act, 1961 annexed herewith in Form No. 3CD read with Rule 6G(1)(b) of Income Tax Rules, 1962 that give true and correct particulars as per the provisions of the Income-tax Act, 1961 read with Rules, Notifications, circulars etc. that are to be included in the Statement.

OUR RESPONSIBILITY: -

We are responsible for verifying the statement of particulars required to be furnished under section 44AB of the Income tax Act, 1961 annexed herewith in Form No. 3CD read with Rule 6G (1) (b) of Income-tax Rules, 1962. We have conducted our verification of the statement in accordance with Guidance Note on Tax Audit under section 44AB of the Income-tax Act, 1961, issued by the Institute of Chartered Accountants of India.

OTHER REMARKS: -

Sr. No.	Clause No.	Observations
1	4	The assessee has obtained GST Number and as per director's opinion, the company is liable to pay indirect tax under that law only.
2	14(b)	The assessee is following exclusive method of accounting for GST in the books of accounts. Accordingly the net effect of exclusive method on profit and loss is Nil which is also as per guidance note issued by ICAI on Tax Audit.
3		It is not possible to us to support the conclusion that the expenditure like vehicle running, telephone expenses, etc was wholly and exclusively laid out for the business purpose.
4	21(d)(A) & (B)	In respect of payments by cheque/draft for the expenses covered under this clause, we have to state that it is not possible for us to verify whether the payments in excess of Rs 10,000 / 35,000 have been made otherwise than by account payee cheque / bank draft since the necessary evidence is not in the possession of the assessee. However the assessee has certified that all such payments relating to expenditure covered u/s. 40A(3) / (3A) of the Act read with Rule 6DD, were made either by account payee cheques drawn on a bank or by account payee bank drafts or use of electronic clearing system through a bank account or through such other electronic mode as may be prescribed.

VARENYAM HEALTHCARE PRIVATE LIMITED (A.Y 2023-24) (F.Y 2022-23)

5	22	As informed by the assesse, he does not have relevant information regarding any micro or small enterprise which is registered under the provisions of the Micro, Small and Medium Enterprises Development Act, 2006, hence amount due and interest payable is not ascertainable.
6	44	We have been informed by the assessee that the information required under this clause has not been maintained by it in absence of any disclosure requirement thereof under the Goods and Service tax statute. It is not possible to determine break-up of total expenditure of entities registered or not registered under the GST, as necessary information is not maintained by the assessee in its books or accounts. Further the standard accounting software used by Assessee is not configured to generate any report in respect of such historical data in absence of any prevailing statutory requirement regarding the requisite information in this clause. Inview of above we are unable to verify and report the desired information in this clause.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS:

1. COMPANY OVERVIEW:

1.1 Description of Business

The Company is a Private Limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at 2, Vitrag Apartment, Near Shripad Nagar, VIP Road, Vadodara-390018. The Company is dealing in Trading of Pharmaceutical Items.

1.2 Basis of Preparation of Financial Statements

i. Compliance with Ind AS

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

• Certain financial assets and liabilities that are measured at fair value;

iii. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

iv. Composition of Financial Statements

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Changes in Equity
- Statement of Cash Flow
- Notes to Financial Statements

1.3 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2. Significant Accounting Policies and Other Explanatory Notes

A. Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Depreciation on Property, Plant and Equipment is provided using written down value method on depreciable amount, depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from de-recognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised.

B. Revenue Recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company is generally the principal as it typically controls the goods or services before transferring them to the customer. Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government), volume rebates etc.

C. Investments and Other Financial Assets:

i. <u>Classification</u>:

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

ii. Measurement:

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.
- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

iii. <u>Equity Instruments:</u>

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iv. De-recognition:

A financial asset is derecognized only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

D. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the company segregated.

In the Cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet.

E. Inventories:

Inventory comprises of traded goods and is measured at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

F. Financial Liabilities:

i. Measurement:

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

ii. De-recognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the Effective Interest rate (EIR) amortization process.

G. Income tax:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.
